Describe work to be performed:

---

---

---

---

---

\*\*\*The Fire District will require one full set of stamped and one ½ size set of prints. **Fire permit must be issued and paid for before any construction can begin.** Penalties will apply if construction begins before permit is issued and paid for. A "STOP WORK ORDER" may be issued if construction and or required inspections are not called for. Penalties also apply for failure to call for the required **ROUGH-INS** and **FINAL** Fire District inspections. These inspections are completely separate from what other governmental agencies may conduct. \*\*\* I have read and understands that Fire Inspections will be required and failure to call for these inspections will result in penalties of up to \$ 5000.00. \*\*\* \_\_\_\_\_ Initial  
*Fee's: New construction \$.40 Sq. Ft / Alteration \$.40 Sq. Ft / Change of occupancy \$.20 / Minimum range \$25.00 to 100.00.*

**It is the applicant's responsibility to ensure that construction is in accordance with the applicable current codes and regulations and any items listed in the Plan review letter.**
